The contact details of support services are in the policy document. You can find further details of Harrow services via this link : <http://www.harrow.gov.uk/localoffer/services/education>

These include:

- Special Resourced Provision in Mainstream Schools
- Specialist Support In Schools
- Harrow Special Schools
- Independent Special Schools and Post-16 Institutions (Section 41 Secretary of State Approved List)
- Assisted School Transport

If a child or young person needs an intensive level or specialist support that cannot be met from the resources available from an educational setting, a request for an EHC plan needs assessment can be made. This assessment could lead to your child getting an EHC plan. Information regarding applying for an Education and Health Care Plan from Harrow
