

## Harrow Mental Health Support Services

We are **Harrow Citizens**, a group of volunteers from local Churches, Mosques, Synagogues and schools who have found that poor mental health and well being is a major concern to people in Harrow. As a result, are working together to make a positive change! We have compiled this two sided fact sheet of local and national contacts that may be of use to you or someone you may know.

*Please note, we cannot be held responsible for the accuracy of the information contained herein which is intended merely as a guide. We, Harrow Citizens, are not accountable for the quality of service produced by these providers but hope this information sheet is of use as a guide.*
