Dear Parent/Carer

Nower Hill PE Kit

I am very pleased to inform all parents and carers that from September 2018, we shall be phasing in a new PE kit for students at Nower Hill.

The current PE kit has been in place for over 10 years now and is definitely due for an upgrade! The new kit is made of modern 'breathable' material which we hope will be much more comfortable and stylish for the students to wear. Please see attached for details and photographs of the new items. As usual, we have made every effort to keep the cost of the new kit as competitive as possible.

We are aware that for students in our current Years 7 to 10 it will not be practical or cost effective for the new kit to be purchased until the current kit is worn out or your children grow out of each item. We are therefore proposing that the students keep their current kit and replace items with the new kit, which will be available from July of this year, on an item by item basis. If students currently in Years 7 to 10 do wish to buy the full new kit, then we are more than happy for them to do so.

The new kit will be compulsory for our new Year 7 intake who will start at the school in September. It is **not** compulsory for older students, unless they are replacing items which then should be the new kit items. We are working with our usual uniform suppliers and are assured that they will have stock of the new kit from July 2018 to coincide with sports day, as we know many parents choose to purchase sports kit for this event.

Thank you in advance for your support with this exciting change to the Nower Hill PE kit.

Yours faithfully
