**Parent of a Y7 student:**

*My son was cared for and his needs carefully planned for and accommodated from the moment the school knew he was coming. This ensured that when he arrived in year 7 he felt included and relaxed enough to get the full benefit from his education.*

*He has thrived this year and we are all immensely appreciative of the care, support and understanding that all the staff have shown him. Thank you.*

**Parent of a Y11 student:**

*My daughter's self-esteem and confidence in herself grew with the help and support of the inclusion faculty at Nower Hill.*

*Dyslexia, has been a challenge but the teachers and teaching assistants have helped her embrace her dyslexia and show great improvement.*

**Parent of a Y11 student:**

*My son has been struggling to communicate with his peers confidently within his first years of school. We've noticed an improvement with his communication.*

*This wouldn't have been possible without the support of the Inclusion Faculty and we are grateful of the care they have given to my son.*
